

Re-elect **James Duddridge** for Southend and Rochford

Delivering Brexit – so we can focus on our NHS, schools and police

Vote Conservative:  
Thursday  
12th December  
2019

# Get Brexit done, unleash Britain's potential

James Duddridge and the Conservatives are putting **more police officers** on our streets, investing **record amounts in the NHS** and **increasing funding for local schools**.

Thanks to the hard work of the British people, we have fixed our economy which was destroyed by the last Labour Government.

**Employment is at a record high**, unemployment is falling and we now have **more money to invest in good public services**.

Every single vote for James Duddridge and the Conservatives on Thursday 12th December is a vote to **get Brexit done** - allowing us to focus more on those domestic priorities that matter so much to you and your family.

**But, this election will be closer than you think.** A vote for any other party risks putting Corbyn into Number 10 - which means higher taxes and rising national debt - hitting ordinary families the hardest.

Your local polling station will be open between 7am and 10pm. **Vote Conservative to get Brexit done and unleash Britain's potential.**

Local people are backing James Duddridge and the Conservatives!

"James is always high-profile and has stuck to what he said, that's why he gets my vote!" - Trevor, Local Market Trader

## Better hospitals. Safer streets. Improved schools. It comes down to your vote.

**Let's get Brexit done – so we can finally get on with the priorities we all share.**

■ Investing an extra **£33.9 billion** into the NHS. Helping us improve your local hospital and GP surgeries.

■ Hiring **20,000 new police officers**. Helping us make our streets safer.

■ More funding for every pupil in every school. So our children get a better education.

Boris needs Brexit-supporting MPs like James to get Brexit done. James voted Leave and is a Minister at the Department for Exiting the European Union. He is the only Brexit candidate on the ballot paper in our area.

Demand on the NHS is rising. The Conservatives are giving our health service the biggest funding increase in its history, making sure it's there for our children and grandchildren. James will always fight to protect the NHS – after all, the NHS saved his life in 2015.

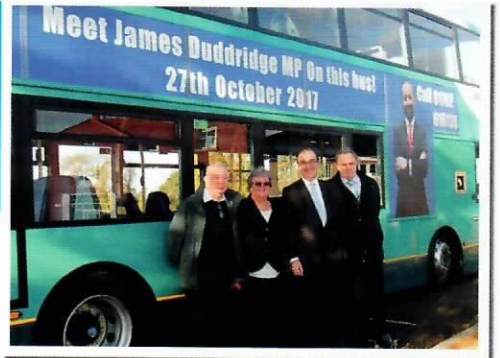

James has helped secure millions of pounds in additional investment for our town and has backed the expansion of London Southend Airport.

James and other local Conservative MPs successfully fought for more funding for Essex Police. This has resulted in a rapid growth in officer numbers as well as new, dedicated town centre policing teams in both Southend and Rochford.

## A record of action!

James supports our local charities. In April, he raised £3,136.35 for Havens Hospices by completing the London Marathon in 4 hours and 36 minutes.

Since he was first elected in 2005, James has helped 27,535 residents with 48,595 cases. He has held regular advice surgeries for local people and has an easily accessible office in Southend. He lives in the constituency with his family.

**We can't afford MORE confusion and MORE delay. But that's all the other parties can deliver.**

**Jeremy Corbyn's Labour cannot be trusted to govern**

The Financial Times

**The Labour Party won't say whether they support Brexit. And they've had THREE YEARS to decide.**

So the only thing a Corbyn government would deliver is more confusion. And we'd get zero progress on our priorities.

**Let's end the delays. Let's get Brexit done. And let's get on with our priorities.**
